JELLE JELLEMA

BEYERS PREMIUM MIXTURES

THE QUALITY OF THE CHAMPIONS

From a quality point of view, the **PREMIUM MIXTURES** are the **supreme products within the BEYERS range**. The emphasis is on the **smaller** types of grain in the premium mixtures, like small Cribbs maize and small peas, in combination with toasted soya, in order to guarantee **optimal absorption** of the grains. Whoever opts for **PREMIUM MIXTURES** opts to never throw **money down the drain** again. **Plus the composition of these mixtures is of such high quality that we can refer to this as optimally nutritious**. This will allow you to get the very most out of your pigeons' qualities.

PREMIUM JELLE JELLEMA POWER - 20 KG

An extreme energy (fat-rich) and protein-rich mixture consisting of 27 different ingredients that in terms of choice and quantity were meticulously selected as the perfect supplement in combination with **PREMIUM JELLE JELLEMA** for the internationally heavy long-distance race programme and during the breeding and moulting period.

- Ensures optimal recovery after homecoming and furthermore, it offers an ideal start of the preparations for the next race.
- As a source of energy during the last 4 days before basketing in an internationally heavy long-distance race.
- During the breeding and moulting period as a source of extra mild digestible proteins with optimal nutritional value and digestion.
