THE QUALITY OF THE CHAMPIONS

From a quality point of view, the **PREMIUM** mixtures are the **supreme products** within the BEYERS range. The emphasis is on the **smaller types of grain** in the premium mixtures, like small Cribbs maize and small peas, in combination with toasted soya, in order to guarantee **optimal absorption** of the grains. Whoever opts for **PREMIUM** mixtures opts to **never throw money down the drain again**. Plus the composition of these mixtures is of such high quality that we can refer to this as **optimally nutritious**. This will allow you to get the very most out of your pigeons' qualities.
