BEYERS PREMIUM MIXTURES

THE QUALITY OF THE CHAMPIONS

From a quality point of view, the **PREMIUM** mixtures are the **supreme products** within the BEYERS range. The emphasis is on the **smaller types of grain** in the premium mixtures, like small Cribbs maize and small peas, in combination with toasted soya, in order to guarantee **optimal absorption** of the grains. Whoever opts for **PREMIUM** mixtures opts to **never throw money down the drain again**. Plus the composition of these mixtures is of such high quality that we can refer to this as **optimally nutritious**. This will allow you to get the very most out of your pigeons' qualities.

BEYERS PREMIUM HI-DIGEST ENERGY – 20KG - 44 LBS

- Easily digestible, but rich in protein and fat-rich mixture for pigeons during the racing season.
- Contains 19% safflower seed, 10% brown rice, 7% linseed, 5% buckwheat and 6% peeled barley.
- *At the beginning of the week, during the racing season, these ensure rapid recovery and build-up for the next flight.*
- During the racing season (flights up to 3 hours), you can supplement your racing mixture during the last feedings before basketing with this protein and fat-rich mixtures.

Ingredients: white sorghum, safflower seed, brown rice, red sorghum, buckwheat, peeled oats, peeled barley, canary seed, linseed, wheat, white millet.
