

THE FIRST STEP TO SUCCESS!

MOULTING SEASON

The moult is one of the most important but also most difficult periods for your pigeons. In a short space of time, especially when they have been darkened and/or lightened, our pigeons need to fully renew their plumage. For this purpose they need **protein and amino acids** to build **strong feathers** and fats to ensure that the feathers are **beautiful, shiny and soft**. We also have to find the ideal balance between all of these nutrients and sufficient raw fibre, so the pigeons are not too fat, as overweight pigeons do not moult properly.

Well balanced **BEYERS** mixtures and an offer of complementary top quality **BEYERS CONDITION & CARE** products are tailored to the pigeons' needs in this period.

Carbohydrates	56,50%
Crude protein	14,50%
Crude fat	7,00%

BEYERS PREMIUM SUPER MOULTING - 20 KG - 44 LBS (ART. 500331)

- Moulting mixture for pigeons with optimal nutritional value, specifically tailored to pigeons' needs during the moulting period.
- Rich in amino acids and fats for shiny and soft plumage.

Ingredients: maize small cribbs, wheat white, sorghum white, sorghum red, safflower seed, toasted soya beans, small green peas, peas maple peas, peas dunpeas, mungbeans, linseed, brown rice, barley peeled, striped sunflower seeds, peas winterpeas, canary seed, rape seed black, buckwheat, millet white.

Carbohydrates	54,20%
Crude protein	14,80%
Crude fat	8,80%

BEYERS GALAXY MOULTING - 20 KG - 44 LBS (ART. 500364)

- Ideal balance of nutrients with sufficient crude fibres so that the pigeons do not become fat and bulky.
- Composed of 23 different ingredients: 4 types of maize, raw materials for essential proteins, amino acids and many small fatty seeds which promote moulting and ensure perfect new feathers.

Ingredients: sorghum white, wheat white, brown rice, barley, maize cribbs, safflower seed, maize small cribbs, small green peas, trappers, maize bordeaux, maize merano, toasted soya beans, oats peeled, mungbeans, rape seed black, lentils, linseed, peas maple peas, striped sunflower seeds, canary seed, rape seed, millet white, millet yellow.

Carbohydrates	56,20%
Crude protein	15,00%
Crude fat	7,40%

BEYERS ENZYMIX 7/50 MS MOULTING METHIONINE - 20 KG - 44 LBS (ART. 070050)

- High-quality moulting mixture with highly utilisable protein sources (= building blocks) for building strong feathers and with a high content of oilseeds for a shiny and soft plumage.
- Added methionine, a sulphurous amino acid, ensures optimal moulting due to a balanced methionine and protein ratio.
- Sufficient addition of raw fibres so that the pigeons do not become too fat in preparation for breeding.

Ingredients: wheat white, maize small cribbs, sorghum white, maize popcorn, trappers, sorghum red, small green peas, safflower seed, toasted soya beans, linseed, rape seed black, peas maple peas, barley peeled, brown rice, oats peeled, mungbeans, peas dunpeas, lentils, rape seed, buckwheat, striped sunflower seeds.

400 ML

AMIN-VITA

COMPLEX OF ALL ESSENTIAL AMINO ACIDS AND VITAMINS.

- Contains all essential amino acids (arginine, phenylalanine, histidine, isoleucine, leucine, lysine, methionine, threonine, tryptophan and valine), as well as a broad range of vitamins (A-D3-E-B1-B2-B3-B5-B6-B12-C-K3-choline and biotin).
- To get pigeons into top shape.
- During moulting when the need for amino acids and sulphur-containing amino acid methionine is highest, because of the development of new feathers.

Instructions:

30 ml / 2 l of drinking water or 1 kg feed.

- During racing season: 2 x per week.
- During moulting season: 1 x per week.

RECOVERY

YEARROUND

400 ML

HERBA PURI T

A LIQUID HERB TEA FOR PIGEONS WHICH IS DISSOLVED INTO ORGANIC ACIDS AND REINFORCED WITH MINERALS AND VITAMINS.

- ensures a strong recuperation subsequent to illness and exhausting flights.
- supports the pigeon's ability to recuperate and contributes to an optimal condition.

Instructions:

5 ml / 2 l of drinking water.

- Racing season: day after homecoming.
- During the spring and moulting season: 7 day cure.

SUPPORT

YEARROUND

750 GR

THERMAE BATHSALT

BATH SALTS WITH ESSENTIAL OILS (PINE, EUCALYPTUS, PEPPERMINT).

- The essential oils have an anti-bacterial effect.
- Smooth and parasite-free feathers promotes optimal health.

Instructions:

30 gr / 10 l of bath water.

- All year round: 1 x per week.
