BEYERS PREMIUM MIXTURES

THE QUALITY OF THE CHAMPIONS

From a quality point of view, the **PREMIUM MIXTURES** are the **supreme products within the BEYERS range**. The emphasis is on the **smaller** types of grain in the premium mixtures, like small Cribbs maize and small peas, in combination with toasted soya, in order to guarantee **optimal absorption** of the grains. Whoever opts for **PREMIUM MIXTURES** opts to never throw **money down the drain** again. **Plus the composition of these mixtures is of such high quality that we can refer to this as optimally nutritious**. This will allow you to get the very most out of your pigeons' qualities.
