

GALAXY

THE SYSTEM OF THE FUTURE

BEYERS GALAXY MENGELINGEN

THE SYSTEM OF THE FUTURE

Multipurpose, complete and perfectly matched to the requirements of your pigeons. **Easy to use for achieving excellent results** during breeding, racing and moulting, these are the basic principles of our BEYERS GALAXY mixtures. Mixtures that meet the requirements of the modern racing pigeon, which gets to withstand an ever increasing work load on a regular basis. Each GALAXY mixture consists of at least 4 different types of maize, including the authentic **red Bordeaux maize**.

BEYERS GALAXY LONG DISTANCE TT – 20KG

- Perfect mixture for high burden, flights with several nights in the basket and overnight flights. Ideal for filling the reserve tank after strenuous efforts.
