HIGH-PERFORMANCE MIXTURES

BEYERS OLYMPIA MIXTURES

HIGH-PERFORMANCE MIXTURES

The OLYMPIA mixtures are characterized, like our PREMIUM mixtures, by the use of **top quality small grains and seeds**, which guarantee **maximum absorption** of the mixture. They originally have been developed especially for the German breeding and racing season because these are significantly different from Belgian or Dutch. All OLYMPIA mixtures are tailored to the pigeons' needs during the breeding season and a specific part during racing season (Zucht & Reise, Breed & Wean, Breed & Youngsters, Breed & Racing,...). The first OLYMPIA mixtures were launched during the OLYMPIADE at UTRECHT in 1995. Meanwhile, with these so-called German mixtures, many successes were also achieved by top-level fanciers in several other countries.

BEYERS OLYMPIA 47-BREEDING & RACING – 25kg

- Top quality breeding and sports mixture for pigeons with small Cribbs maize, popcorn maize and small peas.
- The presence of a variety of 40% legumes (dun peas, small green peas, vetches, small yellow peas and winter peas) ensures the right balance of proteins that your pigeons need during the breeding period.

Ingredients: Wheat – dun peas – red sorghum – small cribbs maize – popcorn maize – dari – small green peas – vetches – safflower – small yellow peas – mung beans – striped sunflower seeds – hemp seed – rapeseed – winter peas
